

## Mykris Limited releases Interim Report

Mykris Ltd, the Malaysian Managed Internet Services specialist, have lodged their Interim Report today.

Mr. Chew, the Executive Chairman said, "This is another very positive step for Mykris. As we stated in the directors report, we are working on a number of new projects and we will announce these as soon as we have unconditional Contracts.

We encourage investors to consider Mykris in their investment options. We are unusual in New Zealand, in that we benefit from the fast growing internet use and also the strong Southeast Asian economies."

Mykris Ltd Interim report will be available on [www.mykris.net](http://www.mykris.net)
