

MyKRIS Limited – Market Announcement

MyKRIS Limited (MYK), have secured two contracts worth a total of NZD2.85million (RM7.07million) for its one stop High Speed Internet Access (HSIA) services with Pan Pacific Hotel KLIA, Malaysia (NZD2.7million/ RM6.7million) and Malaysia Airports (Sepang) Sdn Bhd, Malaysia (NZD0.15million/ RM0.36million) respectively.

For Pan Pacific Hotel KLIA, MyKRIS will design and build of a complete Unified Communications Network including a IP-PBX and IP-TV solution platform. The Company will also be providing upgraded and performance enhancement support to their MIS department, server room and telecommunication switch boards.

As for Malaysia Airports (Sepang) Sdn Bhd, MyKRIS will be the technical consultant to support the installation, testing and commissioning of the network cabling infrastructure.

MyKRIS Chief Executive Officer, Chew Choo Soon said, “With our years of experience and a proven track record as a tier 1 Internet Service Provider of Managed Broadband Services, the recent partnership contracts with Pan Pacific Hotel KLIA and Malaysia Airports (Sepang) Sdn Bhd will further position the Company as a major player in offering one stop HSIA services.”

Chew added that, “MyKRIS is moving forward on the right track to achieve the Company’s set target for the second quarter of the year given the positive progress of its one stop HSIA business development.”
